How do you convert your thesis to a book? How do you make your scholarship accessible to a general academic readership? What are the main challenges to publishing as a graduate student in Canada? These are but some of the questions that we will be addressing in conversation with Dr. David Sanschagrín about his forthcoming book *Le nationalisme constitutionnel au Canada (Constitutional Nationalism in Canada)*; Presses de l'Université Laval, forthcoming 2022). Dr. Sanschagrín published two books as a graduate student and this, his third book, is based on his PhD dissertation which was recently awarded the Prix Rosalie-Silberman-Abella de la Société royale du Canada. The conversation with Dr. Sanschagrín is in English.
