Module 4	March 7, 2023	

*"The Kiskeyihtamowina Board Governance Program helped me as a board member better understand and clarify my role, it also gave me some valuable reporting templates as a CEO to ensure effective reporting and accountability to the Board. The Indigenous approach ensured we continue to acknowledge and incorporate our world view and value system along side the Western Academic process."*

Glen Pratt, CEO, George Gordon Developments Ltd.

The program explores ways to bridge Indigenous and western colonial systems and cover topics including: Governance and need of Boards, Setting Direction, Monitoring and Reporting, Financial Stewardship, Fiduciary Duty & Duty of Care, Risk management & mitigation, Mitigating decision bias, as well as fostering strong decision-making.
